

Quick Start:

Your guide to opening day!

1 **Schedule A Game**

Log in as a team admin on the AthletesGoLive App - Click schedule game. Add in game details and save.

Schedule Game

2 **Set Your Lineup**

In the game scheduled, Click on “set my lineup”, “update the lineup” and then save. Then, click set opponent lineup. Update information and click save. Click start scoring.

Set Team Lineup

3 **Start Streaming**

On streaming device, login with team admin credentials. Click on the game and click start broadcast. If you are streaming with an AGL camera or phone, click “this device”. If you are streaming with Mevo click “external camera”.
